

True Blue Maldives

Think of Maldives and your mind will be filled with images of deep blue and turquoise water, lashed by pristine white sand beaches, adorned by rich green palm trees and illuminated by all-year sunshine - this is sunny side of life! Maldives is a spectacular conglomeration of 1190 coral islands, perfectly dotted on the vast expanse of the grand Indian Ocean. The 26 natural atolls made of coral structures and massive lagoons create paradise-like natural beauty - romantic and mesmerizing. It is also a haven for all you water sports lovers, who want to water surf, snorkel and scuba-dive into the Indian Ocean. So what are you waiting for? Go explore the hues of blue in Maldives!
